

AME REFRESHER COURSE

ECAM 6 – Prague 2018

A central image of an astronaut in a white spacesuit floating in space, with the Earth visible in the background. The astronaut is holding a small white object. Surrounding the astronaut are various icons: an airplane, a rocket, a syringe, a caduceus, and a person in a wheelchair, all connected by dotted lines. The text "EXPANDING THE AEROMEDICAL ENVELOPE IN EUROPE" is written in white and blue. The ESAM logo is in the bottom right of the image area. A dark blue banner at the bottom contains the text "ESAM Lunchtime Meeting" and a "LEARN MORE" button.

EXPANDING THE AEROMEDICAL ENVELOPE IN EUROPE

ESAM Lunchtime Meeting [LEARN MORE](#)

ESAM

The European Society of Aerospace Medicine was founded in 2006 as an umbrella organisation in the field of Aerospace Medicine. As a pan-European, independent forum, it works to promote the safety and health of all persons involved in aviation and space operations , and to coordinate European aerospace medical interests across all national and organisational boundaries.
