

6th European Congress of Aerospace Medicine

Student Registration Form

Title:

First Name:

Last Name:

University:

Country:

There are 25 student places sponsored by ESAM reserved for students and graduate students with an interest in aviation medicine. Student registration will be made on a first come, first served basis, for this reason we recommend you to send this form filled together with a scanned document proofing your student/graduate student status to student@esam.aero.

Student registration will be possible until 16th of September 2018.

Student registration does not include the complementary Welcome Cocktail and Gala Dinner.

Please forward the completed application form to the Executive Committee of ESAM by email to the following address:

student@esam.aero
