  - **Advance** registration fee of \$480 US for the Full Congress **until 15 September 2018**.
  - **Onsite** registration fee of \$600 US for the Full Congress **after 15 September 2018**.
  - **One-day** registration of \$200 US.
  - **Accompanying Person** registration fee of \$120 US
- Registration information and forms can be found online at the Aerospace Medical Association's website:

[REGISTER HERE NOW!](#)

## Student Programme

The European Society of Aviation Medicine (ESAM) is pleased to be sponsoring the registrations for 25 medical students and graduate students who have an interest in aerospace medicine and human performance and wish to attend the 6th ECAM.

For those wishing to register as a student, be advised that you will need to demonstrate your student status when you submit your application to ESAM.

The application for attending the student programme can be found online at:

<http://www.esam.aero/images/docs/Student-Registration-Form.pdf>

## Call for Abstracts

The first of March also signals the Call for Abstracts for the 6th ECAM. Those who wish to contribute to the scientific programme may submit one or more abstracts for consideration by the ECAM Scientific Committee.

Features of the ECAM 6 program include panel sessions on the following topics: Rules and Safety - 2 sides of the same coin?; Advances in Aeromedical Screening; Contrasts and Lessons Learned: Military and Civilian Aerospace Medicine; UAV Operations - Developments and Challenges; AME Course/ Workshop on AEMCs; Aviation Psychology - Psychosocial Well-Being; Psychological and Mental Health Assessments; Special Senses and Orientation; Space Flight: Physiology and Psychology; Half-Day Workshop Dealing with Specific AMEs Issues.

Abstracts can be submitted from 1 March 2018. The deadline for submission of abstracts is 15 July 2018.

All abstracts must be submitted electronically via the congress website. There will be a link to the congress website on the site of each partner organisation for submission of abstracts.

More Information about 6th Programme can be found at:
